

City Manager Tomasello to be Inducted into Chamber of Commerce Hall of Fame

Gaithersburg, MD (November 21, 2013) Gaithersburg City Manager Tony Tomasello will be inducted into the Gaithersburg-Germantown Chamber of Commerce (GGCC) Hall of Fame at the organization's Annual Celebration Dinner & Awards Ceremony on December 5. The GGCC Executive Committee voted his induction unanimously.

Tomasello has served as the City's designated representative on the GGCC Board of Directors for 17 years. As an organization active in providing business-to-business networking and professional development opportunities and serving as a collective voice in local, regional and state legislative affairs, the GGCC plays an important role in the economic fabric of Gaithersburg.

"It's humbling to be recognized with an award like this," said Tony Tomasello. "My experience on the Chamber Board has almost always been productive and enjoyable; even though there have been a number of policy issues on which the two sides did not agree. I consider my fellow Board members to be some of the most dedicated and professional people that I have worked with."

The GGCC Hall of Fame Award recognizes and honors GGCC members who demonstrate outstanding service, commitment and involvement with the organization. "The Hall of Fame is reserved for individuals or companies that have really done something extraordinary in supporting the business climate of the Gaithersburg-Germantown area. This is someone who has gone above and beyond the call of duty. Tony Tomasello perfectly fits that description. He has been a tremendous asset to the Chamber of Commerce and a tremendous asset to the City of Gaithersburg," said GGCC President Marilyn Balcombe.

The induction will take place on Thursday, December 5 at 7 p.m. at the GGCC's Annual Celebration Dinner & Awards Ceremony. It is being held at the Hilton Washington DC North/Gaithersburg, 620 Perry Parkway, Gaithersburg. For information call 301-840-1400 or visit www.ggchamber.org.
