Subject: Gaithersburg Book Festival Committee Request

Good morning, Jud,

I would like to be formally appointed to the Gaithersburg Book Festival Committee. I have loved volunteering with this group of exceptional individuals on the planning committee.

As you know, I am a huge advocate of the festival and the literacy awareness this event brings to our area. While the actual festival is always a fun event, it is also wonderful for Gaithersburg to be known for the broad benefits that result from literacy.

In human, economic, social and cultural awareness, Gaithersburg will grow as the festival does. It is the perfect event for our diverse community!

Thank you for your encouragement in allowing me to be a part of this effort. I look forward to continuing the tradition each May. It gets better every year!

All the best,

Teresa K. Hughes
